## Leeds to Nottingham and Leeds to Sheffield via Castleford

This timetable shows a summary of Northern trains between **Nottingham and Leeds**.

Other trains also run between **Nottingham and Chesterfield, Chesterfield and Sheffield, and Sheffield and Leeds**.

### How to read this timetable

Look down the left hand column for your departure station. Read across until you find a suitable departure time. Read down the column to find the arrival time at your destination. Through services are shown in bold type (this means you won't have to change trains). Connecting services are shown in light type. If you travel on a connecting service, change at the next station shown in bold or if you arrive on a connecting service, change at the last station shown in bold, unless a footnote advises otherwise.

### Minimum connection times

All stations have a minimum connection time of 5 minutes unless stated. Leeds 10 minutes, Nottingham 8 minutes, Sheffield 7 minutes and Wakefield Kirkgate 4 minutes.

### Community Rail Partnerships and community groups

We support a number of active community rail partnerships (CRPs) across our network. CRPs bring together local communities and the rail industry to deliver benefits to both, and encourage use of the lines they represent.
