This timetable shows all trains between Middlesbrough and Whitby.

How to use this timetable

-  Turn to the page showing the direction of your journey and the day of the week you wish to travel.
 -  Look for the station you will be departing from in the left hand column.
 -  Read across the page until you find the time most convenient for you to catch the train.
 -  Read down this column, looking to the left to find your destination station. This will give you your arrival time.
-  **24-hour clock**
This timetable shows all times using the 24-hour clock in order to avoid confusion between morning and afternoon services. Using the 24-hour clock 1am becomes 0100 hours, 2am becomes 0200 and so on until midday, which is 1200, then 1pm becomes 1300, 2pm becomes 1400, 3.30pm becomes 1530 and so on.

Through trains and connections

There are regular services every day between Newcastle and Middlesbrough via the Durham Coast and between Darlington and Middlesbrough. If the train times are in **bold type** you will not have to change trains. If your arrival time is shown in light type you will need to change at the previous station whose time is printed in bold type unless a footnote gives other instructions. If your departure time is shown in light type you will need to change at the next station whose time is printed in bold type unless a footnote gives other instructions.

Connections can also be made at Middlesbrough for TransPennine Express services to York, Leeds and Manchester.

Or connect with the North Yorkshire Moors Railway at Grosmont for a nostalgic trip to Goathland or Pickering – through tickets are available from Esk Valley stations. For details of NYMR services phone 01751 472508.

No Smoking

Please remember that smoking is not permitted on stations and on trains.

Before you board the train

At staffed stations you must have a valid ticket or pass for your journey. This is a legal requirement which applies when the ticket office is open. When boarding at unstaffed stations, you must buy your ticket on the train unless you already have a valid ticket or pass.

Buying your ticket

You can buy your ticket from station ticket offices, quickfare ticket machines and some travel agents. If your journey starts at a station where no staff are in attendance, you can buy your ticket from the conductor on the train.

It is your responsibility to buy a ticket for the journey you are making. Northern has a 'zero-tolerance' policy on people who avoid paying fares and you risk prosecution if you travel without a valid ticket or pass.

Customers with Disabilities

Northern aims to make its services available to all, including those with disabilities or restricted mobility.

Details of the services we provide for disabled customers may be obtained by contacting our Customer Relations' Assistance Helpline. Freephone: 08081 56 16 06 or textphone: 08456 045 608 or email: assistance@northernrail.org.

We have a Disabled People's Protection Policy (DPPP) that sets out the services available to disabled customers. A copy of the DPPP is available by contacting the Northern Customer Relations team.

Mobility Scooters

We cannot accept any type of mobility scooter for travel on our trains, unless it can be folded and carried on board (similar to a piece of luggage), due to restricted manoeuvrability and stability.

Most of our trains have space for up to two bicycles.

Extra Esk Valley Evening Services

On Friday evenings during the school summer holidays, 16 July to 3 September and also Friday 29 October, a music train with a bar selling real ale on draft will leave Whitby at 1915 for Middlesbrough and arriving back in Whitby at 2211. The last regular service leaves Whitby at 2225 arriving at Middlesbrough at 2351.

Apart from the refreshments and live music, this is an ideal way of visiting local hostelries at villages along the line for a meal and a relaxing drink before returning on the train. A late service is also provided by Northern on Regatta Monday 23 August after the spectacular firework display, but without music or ale.
